# The Single Plan for Student Achievement 

for<br>\section*{Marguerite Hahn Elementary School}

49-73882-6099246
CDS Code:

Date of this revision: 11/8/13

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students to the level of performance goals established under the California Academic Performance Index. California Education Code sections 41507, 41572, and 64001 and the federal No Child Left Behind Act (NCLB) require each school to consolidate all school plans for programs funded through the School and Library Improvement Block Grant, the Pupil Retention Block Grant, the Consolidated Application, and NCLB Program Improvement into the Single Plan for Student Achievement.

For additional information on school programs and how you may become involved locally, please contact the following person:

The District Governing Board approved this revision of the School Plan .

## Part One: Analysis of Verifiable State Data, including the API, AYP, and the California English Language Development Test

The purpose of this section is to gather data about your school right now. You then use that information to determine goals and actions. You can include a school profile which gives background about your school and provides context for the plan.

The School Profile

Marguerite Hahn Elementary is one of six elementary schools in the Cotati Rohnert Park Unified School District. Marguerite Hahn is a kindergarten through fifth grade school in the suburb of Rohnert Park. It is adjacent to Honeybee Park. Hahn's current enrollment is 489 students. The expectation and culture of being safe, respectable and responsible towards each other are promoted through the Life Skills. The Life Skills are taught, and reinforced school wide. Students are honored at monthly Life Skills assemblies. Academic accomplishments are recognized as well with an emphasis of doing one's personal best and reinforcing high academic standards.

Parent participation is an integral part of Hahn's school climate. Parents can be seen daily working in classrooms, participating in the Art Docent Program, and Garden Program. Hahn has a highly active PTA which sponsors monthly family fun nights as well as supporting educational activities. Parents are encouraged to be active partners in our school community.

Student achievement is a focus at Hahn and teachers meet regularly to monitor student progress toward meeting specific learning objectives. Students who need additional support are provided interventions. Teachers strive to provide an engaging and rich learning environment. Classrooms incorporate project based learning and living history days into the curriculum. Hahn participates in Science Olympiad and the County Spelling Bee. Additional after school learning opportunities such as music and chess are available. Visual Thinking Strategies are used school wide to support higher order thinking skills. At Hahn we strive to support our student's gain critical thinking and problem solving, communication, collaboration and creativity skills needed in the 21st Century enabling them to be college and career ready.

## Data Collection and Analysis

Review your student achievement data, and other sources of information regarding current conditions. This step is IMPORTANT! Review data with key stakeholders including teachers, Leadership Team, Site Council, ELAC, etc. Your goals and actions should be based on an analysis of student achievement data.

For the plan, provide charts of student achievement provided by Key Data Systems and Illuminate from the CST, CELDT, CAHSEE (as appropriate).

## Data Collection and Analysis (Continued)

Plans must include analysis of school progress on the AYP and AMAOs for Title III.
You can include other district/school assessment data.
You can include student attendance and discipline data
You can include a summary of your Healthy Kids Survey
Provide a brief, written analysis based on the data you provided.
You can provide a brief summary of strengths and gaps in performance in ELA and math for the school as a whole and for any significant trends identified for grade levels or subgroups. This can be based on discussion with stakeholders regarding data analysis.
Teachers analyze data from CST, CELDT, LAS and site assessments to plan instruction. In grade level teams, teachers align state standards with district adopted texts and benchmark periods. Teachers meet in Professional Learning Communities to analyze date and review results to monitor student progress and develop differentiated strategies to assist all learners.
While our overall API score and the scores of some of our subgroups such as White and Asian are over 800, we have subgroups that are not reaching the goal's we have set. Our Hispanic subgroup is a subgroup that did not reach its goal and will need to be addressed to support those students.

## Include a brief summary analysis statement.

This statement summarizes the conclusions reached about student performance.
School Site council conducts a yearly survey to analyze the effectiveness of the programs the school offers. Our students with disability subgroup made a growth of 8 points. Continue focus on monitoring the progress of students in the subgroups (SED and Hispanic) are needed. Almost all EL students in the 5th and 6th grade are early advanced or advanced. They are moving upward in learning English but that is not correlating to their performance in CST's.

## Part Two: Addressing the Performance Gaps

The purpose of this section is to set priorities and specific goals. Your priorities are based upon the synthesis you developed above. Your goals flow from these priorities.

Note: CA regulations state that the SPSA must address how funds will be used to "improve the academic performance of all students to the level of the performance goals, as established by the API." Also, regulations state that "The SPSA must align with the local educational agency (LEA)."

## Select Priorities

Based upon analysis of data, prior school goals and district goals, set priorities or focus areas for your plan.
Based upon analysis of data, prior school and district goals, our priorities for the coming year focus on the academic gains of our socioeconomic students, Hispanic or Latino and English Learners.

## Write/Revise School SMART Goals

School goals flow from your priorities and should be attainable in the period specified in the plan, specific to the student participants and measurable. Goals should be listed in SMART (specific, measurable, attainable, realistic, and timely) format but also align to the outcomes expected under the state and federal accountability model.
Hahn Students will make adequate progress for the 2013-14 calendar year: $75 \%$ of all students will reach proficiency in Language Arts and Math, as measured by the CST. Also students that are socioeconomically disadvantaged will reach $60 \%$ proficiency in ELA and English Learners will reach $70 \%$ in ELA. In Math, English learners will reach $75 \%$ and SED will reach $70 \%$. It is important to note that these goals were the same for 2012-2013 and were not reached at that time. We will not have CST results to use for a measure for 2014, so we will be looking at ELA results in Dibels, Phonic Surveys and Benchmark Assessments. In Math we will use the curriculum embedded assessments in Everyday Math as well as our benchmark assessments.

## Part Three: Analysis of Proven or Promising Strategies

While the justification for your activities need not be written into your plan, best, evidence-based practices should be reflected in your action plan and activities you pursue. Once a goal for student achievement has been identified, the leadership team needs to determine how to reach that goal. Choose specific strategies that are likely to work and align to the district's Local Education Agency Plan as well. Be deliberate in what strategies you choose. Consider:

- Did it work for a similar school?
- When do you expect to see results?
- Can you explain why you expect it to work?
- What will you do to ensure that it works?
- At what point will you determine it isn't working and stop doing it?
- Identify current successful practices in the school and district by looking at data, talking to colleagues, and seeking input from such professionals as curriculum specialists.

## Part Four: Complete Action Plans for each SMART Goal

Use the attached templates to complete your action plans.

## SMART Goal 1

## Marguerite Hahn Elementary School <br> Plan on a Page <br> Student Achievement in Reading Language Arts

2013-2014

## SMART Goal:

All Hahn students will make adequate yearly academic progress in ELA for the 2013-14 calendar year. Performance gains expected for students: $75 \%$ (up from $61.1 \%$ ) of ALL Hahn students will reach proficiency or higher to meet California state standards in English/Language Arts, as measured by multiple measures including Dibels, Phonic Survey and district benchmarks since we will not be administering the CST. Also,students who are socially economic disadvantaged will reach $60 \%$ (up from $45 \%$ ) English Learners will reach $70 \%$ (up from $42.9 \%$ ) and students that are Hispanic or Latino will reach 60\% (up from 46.5\%).

| Actions/Strategies | Results Indicators | Resources | Funding Source |
| :---: | :---: | :---: | :---: |
| 1.1 Teaching and Learning: <br> a) Develop year-long, standards-based curricular plans, aligning Common Core curriculum with essential standards and benchmark assessments. <br> b) Identify students who are not yet proficient and develop a plan for meeting their needs. Principal and teachers work together to provide support; Walk to Read meetings, Learning Center Meetings, Student Study Team Meeting, PLC meetings. <br> c) Use assessments to inform instruction and provide summary data. Monthly, teachers examine student work and assessment results and plan goals for improvement. <br> d) Teachers use effective teaching strategies to improve student learning, for example: KAM strategies including blueprints, Write From the Beginning Writing strategies, Vocabulary Study of School Wide Academic language, Thinking Maps, Gradual Release of Responsibility model of teaching <br> e) Use of technology - hardware and software support to supplement student achievement: Illuminate, Core5, Dreambox, Criterion, Dibels reports/progress monitoring software. <br> f) Implement school wide programs and strategies to increase student learning: Spelling Bee, Student Leadership, Visual Thinking Strategies, Big4 Math. | Student performance on District Benchmark Assessments; Dibels Assessments (screenings and progress monitoring); results of PLC common assessments; curriculum embedded assessments; resutls from Lexia and Dreambox | Illuminate; Dibels, Professional Tuesdays; Lexia; Dreambox, Criterion Writing; document cameras and projectors in classrooms; computers/IPads | District funding; <br> Measure D <br> funds; <br> Donations |

1.2 Staff Development

All Marguerite Hahn Teachers are Highly
Qualified
a) Grade Level meetings to provide format for grade level collaboration; examples include planning close reading lesson or math tasks, creating rubrics and assessments
b) Training in learning the new Common Core standard, and in teaching strategies used in Common Core, such as Close Reading. Examples: 2 day training from CORE(Elementary Close Reading: Building Independent Readers), Everyday Math Training, KAM, Thinking Maps, Visual Thinking Strategies.
d) Training on new CORE5 and Criterion Writing(4-5)
e) Release time for teachers to peer observe. f) Professional and research books.

Student performance on District Benchmark
Assessments; Dibels
Assessments (screenings and progress monitoring); results of PLC common
assessments; curriculum embedded assessments; resutls from Core5, student use of evidence based reasoning.

Illuminate; Dibels, Professional Tuesdays; Lexia; Criterion, document cameras and projectors in classrooms; computers, VTS support materials

District funding;
Measure D
funds;
Donations
I.3 Opportunity and Equal Educational Access

Services include: English Language Learner support in grades K-5; Small group targeted reading and writing instruction 1st -5 th.
a) ELL Assistant to assist teachers in providing intervention
b) Flexible grouping of students for targeted instruction: grade level re-grouping, Walk To Read and Tier II Interventions
c) Support for students with learning difficulties. Use of specialists to determine learning difficulties for students; assessments for determining learning problems
d) Fifth Grade transition IEP's
e) Support for SST process, classroom teachers attend IEP, SST and safety net meetings f) Each classroom has weekly access to the computer lab; programs support standards.
g) VTS materials \& training
h) Science Olympiad for grades 4-5
i) Being there" field study experiences across the curriculum to increase student learning through meaningful life experiences. Writing prompts will sometimes be directed to these experiences

All students have access to Language arts core curriculum and instruction; Reading and writing experiences are integrated into all other curricular areas; Decreased gap in student achievement; English Learners have 30 minutes a day of ELD instruction
EL Assistant 30 hours a
week; Active PTA to
support curricular
programs, Lexia, ELD
curriculum,

District funding
Donation
Spec Ed

PTA
1.4 Involvement of staff, parents and community

At Marguerite Hahn we nurture involvement and participation in the school community.
a) Assessment data shared at SSC, PTA, ELAC, and parent conferences.
b) Newsletter sent home at each trimester
c) School-wide recognition of achievement
d) Home Involvement program through Everyday Math, grades K-5.
e) Annual Site Council analysis of student dataparticipation
in site plan
f) Parent access to Lexia on-line reading tool and Dreambox Math tool
g) Parent access to Aeries and potentially gradebook.

| Minutes of meetings; <br> copies of programs; <br> school site survey results | PTA; Staff | Site Funds <br> donations <br> District funds |

|  |  |  |

## SMART Goal 2

## Marguerite Hahn Elementary School <br> Plan on a Page <br> Student Achievement in Mathematics 2013-2014

## SMART Goal:

All Hahn students will make adequate yearly academic progress in ELA for the 2012-13 calendar year. Performance gains expected for students: $80 \%$ (up from $66.2 \%$ ) of ALL Hahn students will reach proficiency. Also,students who are socially economic disadvantaged will reach $65 \%$ (up from $54.1 \%$ ) English Learners will reach $70 \%$ (up from $54.8 \%$ ) and students that are Hispanic or Latino will reach $70 \%$ (up from $56.3 \%$ ). We will not have CST results to use for a measure in 2014, so we will use curriculum embedded assessments in Everyday Math and district benchmarks to measure success.

| Actions/Strategies | Results Indicators | Resources | Funding Source |
| :---: | :---: | :---: | :---: |
| 2.1 Teaching and Learning <br> a) Develop year-long, standards-based curricular plans, aligning curriculum with essential standards and benchmark assessments. <br> b) Identify students who are not yet proficient and develop a plan for meeting their needs. Principal and teachers work together to provide support; Learning Center Meetings, and PLC's. <br> c) Use assessment to inform instruction and provide summary data. Monthly, teachers examine student work and assessment results and plan goals for improvement. <br> d) Teachers use effective teaching strategies to improve student learning, for example: Engagement Strategies, Vocabulary Study; Thinking Maps; Gradual Release of Responsibility model of teaching, Number Talks e) Use of technology--hardware and software support--to support teaching strategies; data management; communication; student intervention programs in math. | Student achievement data from Benchmark assessments; curriculum embedded assessments, PLC common assessments | Everyday math curriculum in grades K-5; Dreambox; | Site Funds; <br> Donations <br> District and <br> Measure D funds |

2.2. Opportunity and Equal Educational Access
a) Grade level PLC meetings to provide format for grade level collaboration; ex: planning lessons; creating rubrics and assessments b) Training in use and implementation of effective teaching strategies; for example, PLC's, Everyday Math, SDAIE, Differentiated Instruction; Vocabulary instruction; Thinking Maps; Gradual Release of Responsibility
c) Use of specialist to determine learning difficulties for students; assessments for determining learning problems
d)Each classroom has weekly access to the computer lab; Dreambox supports math. e) Flexible grouping of students for targeted instruction: grade level regrouping, learning center regrouping.
f)"Being There" field study experiences across the curriculum to increase student learning through meaningful life experiences.

### 2.3. Staffing and Professional Development

a) Grade level PLC meetings to provide format for grade level collaboration; ex: planning lessons; creating rubrics and assessments
b) Training in use and implementation of effective teaching strategies; for example, PLC's, Everyday Math, SDAIE, Differentiated Instruction; Vocabulary instruction; Thinking Maps; Gradual Release of Responsibility c) Teachers have opportunity to attend Everyday Math Training

### 2.4 Involvement

a) Parent access to Dreambox--an on-line math tool.
b) Home Involvement program through

Everyday Math, grades K-5
c) Annual Site Council analysis of student dataparticipation
in site plan

All students have acces to math core curriculum and instruction; math experiences are integrated into all other curricular areas
$\square$
$\square$

## SMART Goal 3

## Marguerite Hahn Elementary School <br> Plan on a Page <br> Culture and Context <br> 2013-2014

## SMART Goal:

Culture and Climate: Hahn School will have a safe and respectful learning community, with students following classroom and school wide rules and procedures on a daily basis. Bullying incidents will decrease. This will be accomplished through a variety of effective support programs for students and parents, as measured by office referrals, detention and/or suspension data by May 2014.

| Actions/Strategies | Results Indicators | Resources | Funding Source |
| :---: | :---: | :---: | :---: |
| 3.1Teaching and Learning <br> To ensure a safe and respectful school environment all staff will: support the schoolwide discipline plan; model respectful communication; use the Second Step program to develop social skills and safe behavior choices in all classes. At monthly assemblies students are recognized for citizenship and practicing their Lifeskills. Attendance is carefully monitored and communication with parents is ongoing when there are attendance or tardy concerns. <br> a) Review and update the school wide discipline plan and playground guide. <br> b) Opportunities for field trips; school garden. <br> c) Assemblies and guest speakers <br> d) Maintain and improve physical environment <br> by encouraging students to take responsibility and pride in our campus. Weekly campus clean up by classes, Staff teaches and models this behavior. <br> e) Support for Second Step Program teaching students to have empathy for others; identify and refrain from bullying behaviors; <br> f) Art Docent Program <br> g) Student leadership <br> h) BEST training for staff and yard duty <br> (Building Effective Schools Together) <br> i)Use varied and effective teaching strategies which include Visual, Performing Arts and Music (multiple intelligences, movement, learning styles, use of technology) <br> j) Provide incentives for improving attendance <br> k) Excellence in Effort Awards to students given by teachers. <br> I) Weekly spirit wear and special spirit days. <br> m) Students are recognized for using the lifeskills, students perform short skits to model and/or produce a short video of the lifeskill. <br> n) School Psychologist and Speech pathologist teach Social Stars lessons. | Reduction in discipline referrals; Decrease in serious violations of school rules; Reduction in incidences of bullying | Second Steps programs; Meet the Masters Art Docent Program, school garden, PE teachers, computer lab | District, PTA, donations |

| Actions/Strategies | Results Indicators | Resources | Funding Source |
| :---: | :---: | :---: | :---: |
| 3.2. Opportunity and Equal Educational Access <br> a) Safety Net/SST meetings to determine needs and provide interventions <br> b) Interventions <br> d) Student leadership <br> e) Art program--VTS and Meet the Masters and Reflections <br> f) Dramatic presentations in classrooms, after school <br> g) Assemblies focused on learning behaviors <br> h) Band for 5th grade. | All students have access to school activities and extracurricular activities; Participation by all groups; | Active parent community; Staff; | Donations and district funds |
| 3.3. Staffing and Professional Development <br> a) Inservice /Training <br> Training for teachers and support staff to assist students with behavioral needs: autism, learning disabilities, emotional needs etc. <br> b) Teacher in charge - principal need <br> c) Behavior Specialist Assistant and District Wide Behaviorist | Staff participation in training opportunities | District and site expertise | District funds |

| Actions/Strategies | Results Indicators | Resources | Funding Source |
| :---: | :---: | :---: | :---: |
| 3.4. Involvement <br> a) School Community Events: Back to School Night; Parent Conference Week; PTA events such as Family Activity Nights, Book Fair; Science Night; Movie Nights; Books and Breakfast, Bingo Night, Ice Cream Social, Halloween Carnival, End of the Year Celebration. <br> b) LifeSkills assemblies <br> c) Communication with parent community through flyers, newsletters,annual calendar/handbook; progress reports, website, Second Cup of Coffee etc. <br> d)Annual Site Council analysis of student dataparticipation in site plan <br> e) Testing results and curriculum shared with parents; i.e. PTA, ELAC mtgs; Kindergarten expectations <br> f) Fifth grade teachers send student reports to middle school <br> g) Fifth grade visits to middle school; middle school band concert; teacher and student visits; parent orientation <br> h) Kindergarten teachers participate in District Kindergarten Fair <br> i) Kindergarten Orientation and Tea <br> j) Open House/Back to School Night <br> k) Tours of Hahn <br> l) ELAC meetings for parents of English learners <br> m) Translation of meetings and communications into home language, when possible | All students have access to school activities and extracurricular activities; Participation by all groups; Agendas and minutes from ELAC, Site Council; Calandar of school events | Active parent community; Staff; | District, PTA and donations |

| :---: | :---: | :---: | :---: |
|  |  |  |  |

## Part Five: Conduct Advisory Committee Review and Certification

School plans must be developed with the review, certification, and advice of any applicable school advisory committees. Meeting agendas and minutes should reflect the processes for stakeholder input and review the culminated in certification.

School districts must assure that SSCs have developed and approved the SPSA for schools participating in programs funded through the ConApp process and any other school program they choose to include

## Form C: Programs Included in this Plan

Check the box for each state and federal categorical program in which the school participates and, if applicable, enter amounts allocated. (The plan must describe the activities to be conducted at the school for each of the state and federal categorical program in which the school participates. If the school receives funding, then the plan must include the proposed expenditures.)

|  | State Programs | Allocation |
| :--- | :--- | ---: |
| [ ] | California School Age Families Education <br> Purpose: Assist expectant and parenting students succeed in school. | $\$$ |
| [X] | Economic Impact Aid/ State Compensatory Education <br> Purpose: Help educationally disadvantaged students succeed in the regular program. | $\$$ |
| [X] | Economic Impact Aid/ English Learner Program <br> Purpose: Develop fluency in English and academic proficiency of English learners | $\$$ |
| [ ] | High Priority Schools Grant Program <br> Purpose: Assist schools in meeting academic growth targets. | $\$$ |
|  | Instructional Time and Staff Development Reform <br> [ | Purpose: Train classroom personnel to improve student performance in core curriculum <br> areas. |

## APPENDIX

## CRPUSD LEA Plan and Title III Year IV Plan

Cotati-Rohnert Park Unified School District
2012-2013 Title I and Title III LEA PLAN SUMMARY

## Leadership Commitment

In order to increase achievement and retain students, we will enact evidence-based instructional strategies to support and engage all learners, implement $K$ - 12 curricula aligned to the Common Core Standards and calibrated to the rigor of state and national measures, and use formative and summative assessments for ongoing monitoring of students' growth.

Required State of California and Federal Goals:
Goals 1A \& 1B Improve Proficiency in English Language Arts and Mathematics
Goal 2A: Increase Annual Progress in Learning English
Goal 2B: Increase English Proficiency
Goal 2C: Increase Academic Proficiency of English Language Subgroup
Strategy: Implement Evidence-Based Instruction Practices

Improved consistency of target instructional practices system-wide will improve student performance, resulting in increased achievement because all students will have accesses to effective instructional practices.

| Action Steps |  | Proposed Expenditure | Proposed Funding Source |
| :---: | :---: | :---: | :---: |
| (1) Development of Systemwide Instructional Practices |  |  |  |
| Site leadership teams participate in Sonoma Leadership Network (SLN) training | SLN registration for 35 participants | \$15,000.00 | Title I |
|  | Substitute costs | \$20,125.00 | Title II |
| Teacher trainers conduct training in gradual release of responsibility, active student engagement, Organizing Student Thinking and English learner support strategies. | Estimated participation $=40$ teachers per training with three days total planned for training. | \$13,800.00 | Title III |
| Sites develop agreements regarding instructional practices and conduct implementation trials that include observation and coaching to support practice | Plans to be determined. | TBD | TBD |
| (2) Alignment of Curriculum and Assessment |  |  |  |

| Align District Benchmarks and Instructional Pacing to <br> Rigor of State Standards and CSTS. | Estimated costs for 20 teachers for 2 days of substitute <br> time. | $\$ 4,600.00$ | Title I |
| :--- | :--- | :--- | :--- |
| Complete Curriculum Articulation to Ensure Consistency <br> and Coherence from Kindergarten to $122^{\text {th }}$ Grade | Estimated costs for 24 teachers for four days of <br> substitute time. | $\$ 11,040.00$ | Title II |

## Strategy: Assessment and Progress Monitoring

Grade level teams and the secondary English language arts and mathematics departments will develop, administer, and analyze common formative and summative assessments that are aligned with actual instruction to measure student skill, knowledge, and growth for purposes of progress monitoring and instructional calibration.

| Action Steps |  | Proposed <br> Expenditure | Proposed <br> Funding <br> Source |  |
| :--- | :--- | :--- | :--- | :--- |
| (1) Data Analysis and Planning through Collaboration Time | Estimated costs for 25 teachers for one day of <br> substitute time. | $\$ 3,000.00$ | Title II |  |
| Provide teacher training in Illuminate system. | Estimated costs for 300 cameras at $\$ 35 /$ camera. | $\$ 10,500.00$ | Title I |  |
| Provide teachers with web cameras to enable immediate <br> data collection and reporting using the Illuminate <br> GradeCam software. |  | Estimated costs for 30 teachers with five days of <br> substitute time. | $\$ 17,250.00$ | Title I |
| Provide teachers with release time for data analysis and <br> collaborative planning. | NA |  |  |  |
| (2) Administer and Analyze Diagnostic State Tests <br> Students in grades 2-10 will participate in a CST or CAHSEE diagnostic test six weeks prior to the state testing <br> windows. Grade level teams will meet to review test data and to plan targeted instruction for students to ensure <br> proficiency. | NA |  |  |  |

## Strategy: Improve Teaching and Learning In ELD

Consistent, system-wide implementation of evidence-based ELD instructional practices, materials, and assessment will increase the achievement of English language learners.
The Single Plan for Student Achievement

| Action Steps |  | Proposed Expenditure | Proposed <br> Funding <br> Source |
| :---: | :---: | :---: | :---: |
| (1) Audit ELD Implementation |  |  |  |
| Audit English language development curriculum, schedules, and instructional practices to ensure consistency and coherence across the district. | Teacher teams to meet for horizontal and vertical articulation using substitute time. Specific plans to be determined. | TBD | TBD |
| Principals and teacher leaders will conduct walk-through observations to examine consistency of program implementation. | Teacher leaders from the ELPD and Advanced ELPD will provide training and support at their sites. Principals will guide planning and observation. | NA | NA |
| (2) Engaged, Structured Academic Talk |  |  |  |
| Teachers will provide multiple opportunities for student conversations on academically relevant topics, structuring tasks so that ELs are engaged with native speakers for extended discussion. Structured, collaborative groups will be used. | Teacher leaders from the ELPD and Advanced ELPD will provide training and support at their sites. Principals will guide planning and observation. | NA | NA |
| (3) Systematic Assessment of Students | Progress monitoring assessments |  |  |
| Teachers will use formative and summative assessments to determine student mastery of ELD standards for purposes of progress monitoring and instructional calibration. | Estimated cost for purchase of ELD assessment materials and substitute time for progress monitoring. | 10,000 | Title III |

Required State of California and Federal Goals:
Goal 2E: Increase Parent and Community Participation
Most of the action steps below are from the last Title III and LEA Plans and the Leadership and Learning structures implemented in the district this year. A few items were added as a result of ideas presented at the Board of Trustees Conversation Meeting on December 6, 2011.

| Action Steps | Estimated cost to support a period of a teacher with <br> marketing background working on special assignment to <br> coordinate district outreach efforts and K-12 <br> connections, using RCHS Media House and SSU support. |  |  |  | Proposed <br> Expenditure | Proposed <br> Funding Source |
| :--- | :--- | :--- | :--- | :---: | :---: | :---: |
| District Marketing Model | Estimated substitute costs for 40 teachers for four days. | \$18,400 | Title I |  |  |  |
| Educational Summit | Ongoing | Program provided through Community Action <br> Partnership at no cost to district. |  |  |  |  |
| Superintendent's Council | Plans to be determined through consultation with YMCA <br> and/or SSU | NA | NA |  |  |  |
| Preschool Parent Education (Avance) | Plans in process - Connections calendar under <br> development and a standing item at Administrative <br> Council meetings | NA | NA |  |  |  |
| Sliding Fee Preschool Program (4 year olds) | Ongoing - Website development, ABI, Etc. | NA |  |  |  |  |
| HS Student Leadership and Programs to Elementary <br> and Middle School Sites Pathways Development and <br> Outreach Events | Ongoing position to support home-school <br> communication | TBD | TBD |  |  |  |
| Technology Enhanced Communication | Plans to be determined. | Varies | Varies |  |  |  |
| District Translation Services | Currently researching partnership options for <br> development. Have partnered with YMCA and Boys and <br> Girls Club for 21st Century Grant Application. | TBD | NA |  |  |  |
| Kindergarten Intake and Orientation |  <br> ASES |  |  |  |  |  |
|  <br> enrichment programs for before and after school, <br> including HW Club |  | NA |  |  |  |  |

| Student Led Site Visits | Students to provide interested parents with tours of <br> their schools as part of district outreach efforts. | NA | NA |
| :--- | :--- | :--- | :--- |

Required State of California and Federal Goals:

## Goal 3: Highly Qualified Teachers

All students in the district will be taught by highly qualified teachers.

| Action Steps | Title II, Level C District Compliance Plan in process | Proposed <br> Expenditure | Proposed <br> Funding Source |
| :--- | :--- | :--- | :--- |
| Fully Credentialed, HQ Teachers | Title II |  |  |

Required State of California and Federal Goals:
Goal 5 A: Increase Graduation Rates \& Goal 5B Decrease Drop Out Rates
Strategy: Academic Support Classes for Acceleration
Students who are struggling in core English language arts or mathematics courses will receive support class to ensure they have prerequisite skills to demonstrate proficiency in each content area.

| Action Steps |  | Proposed <br> Expenditure | Proposed <br> Funding Source |
| :--- | :--- | :--- | :--- |
| Use Assessment Data to Identify Students | Estimated cost for the purchase of curriculum <br> materials. | $\$ 27,000$ | Title III |
| Identify and Purchase Academic Support Curriculum | Estimated costs for the proposed sections. | $\$ 40,000$ | Not funded |
| Add 2 Academic Support Sections at RCHS | Estimated costs for the proposed sections. | $\$ 40,000$ | Not funded |
| Add 2 Academic Support Sections at LJMS |  |  |  |

## Goal 5C: Increase Enrollment in AP Classes

## Strategy: Outreach and Education

Provide parent and student education and outreach to ensure familiarity with Advanced Placement program options at our high schools.

## Strategy: Use Academies to Promote Advanced Study

Use emerging high school academies model to assist students, and English language learners in particular, in pursuing advanced study in fields of specific interest.

| Action Steps | Proposed <br> Expenditure | Proposed <br> Funding Source |  |
| :--- | :--- | :--- | :--- |
| Provide parent and student education through evening <br> events, the middle and high school guidance programs and <br> one-one outreach to ensure knowledge of AP offerings. | Plans to be determined. | NA | NA |
| Integrate AP in each Secondary Academy Outcomes | Plans to be determined. | NA | NA |
