## Mini Kickoff

On Tuesday, September 6th, we celebrated with the Richard Crane staff with a mini Kickoff. Since their school site begins instruction in July, they were unable to attend our district wide celebration that occurred in August. They were showered with popsicles (since it was the hottest day of the year), given some sweet treats, and we even held a gift card raffle.

## Congrats

### Richard Crane

We would like to give Richard Crane a big shout out! WOOT! WOOT! They are the first school with 100% participation in our income verification campaign. Richard Crane staff have sent our consistent messengings to their families, followed up with phone calls, and encouraged everyone to participate. Thank you for your time and efforts.
