## El Colegio Ribbon Cutting

On February 10th, community members came together to celebrate the opening of the newly renovated El Colegio Early Childhood Education Center designed for preschool children. At El Colegio, we have two beautiful classrooms specially designed for young learners, a garden with wheelchair accessible garden beds, and a Pre-K sized playground. We will share the campus with the Sonoma County Office of Education Early Childhood Program. We are thrilled to have the opportunity to have this beautiful new space for our Pre-K special education students!
